

Public Act 93-0395

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Mental Health and Developmental Disabilities Administrative Act is amended by adding Section 57.5 as follows: Sec. 57.5. Autism diagnosis education program. (a) Subject to appropriations, the Department shall contract to establish an autism diagnosis education program for young children. The Department shall establish the program at 3 different sites in the State. The program shall have the following goals: (1) Providing, to medical professionals and others statewide, a systems development initiative that promotes best practice standards for the diagnosis and treatment planning for young children who have autism spectrum disorders, for the purpose of helping existing systems of care to build solid circles of expertise within their ranks. (2) Educating medical practitioners, school personnel, day care providers, parents, and community service providers (including, but not limited to, early intervention and developmental disabilities providers) throughout the State on appropriate diagnosis and treatment of autism. (3) Supporting systems of care for young children with autism spectrum disorders. (4) Working together with universities and developmental disabilities providers to identify unmet needs and resources. (5) Encouraging and supporting research on optional services for young children with autism spectrum disorders.
